

Beyoncé, Video Phone

Shawty what your name is
Them hustlas keep on talkin
They like the way Im walkin
You sayin that you want me
So press record, Ill let you film me
Video phone, like a cameo
Take me on your video phone, I can handle you
Watch me on your video phone
On your video, video
If you want me you can watch me on your video phone
I love how you approach me
Fresh wine with your pants hanging woman-low
Everything you say aint soudin good to me
No need to convince me anymore
Swagga is right, one blade is tight
And the smell of your cologne in the air
Baby you doin somethin right
You just cancelled every other man here
You say you like my dye and the color of my nails
You can see that I got it goin on
I wanna make sure you remember me
So lma leave my numba on your video phone
I got no time for frontin
I know just whats Im wantin
If its gonna be you and me,
When I call they betta see me on your video screen
Them hustlas keep on talkin
They like the way Im walkin
You sayin that you want me
So press record, Ill let you film me
On your video phone, like a cameo
Take me on your video phone, I can handle you
Watch me on your video phone
On your video, video
If you want me you can watch me on your video phone
You a cutie
You should let me put you in my movies
Do a shoot into a style of your own hip song
We can shoot a video right here on my cell phone
I never seen you smell so pretty
I need to know I always have you with me
So take a picture on my video phone
You can pick your own song
And you could be the only one
I know you like that
Turn you into a star, I got it like that
Baby dont fight it
Cause when I miss your call Ill get you right back
On my video phone
Them hustlas keep on talkin
They like the way Im walkin
You sayin that you want me
So press record, Ill let you film me
On your video phone, like a cameo
Take me on your video phone, I can handle you
Watch me on your video phone
