Beyoncé, You Are My Rock

Oh oh oh I, oh oh oh I

If I wrote a book about where we stand

The title of my book would be "Life with Superman"

That's how you make me feel I count you as a privilege

This love is so ideal

I'm honored to be in it

I know you feel the same I see it everyday

And all the things you do

And all the things you say

You are my rock

Baby you're the truth

You are my rock

I love to rock with you

You are my rock

You're everything I need

You are my rock

So baby rock with me

I wanna kiss ya, feel ya, please ya just right

I wanna touch ya, love ya, baby all night

Reward ya, for all the things you do

You are my rock

I love to rock with you

I love to rock with you Oh oh oh I

If I wanna try to count the ways

You make me smile

I'll run out of fingers

Before I run out of time

Theres things to talk about

Sugar you keeps it going on

Make me wanna keep my lovin strong

Make me wanna try my best

To give you what you want and what you need

Give you my whole heart, not just a little piece

More than a minimum,

I'm talking everything

More than a single wish,

I'm talking every dream

You are my rock

Baby you're the truth

You are my rock

I love to roc with you

You are my rock

You're everything I need

You are my rock

So baby roc with me

I wanna kiss ya, feel ya, please ya just right

I wanna touch ya, love ya, baby all night

Reward ya, for all the things you do

You are my rock

I love to rock with you

I wanna rock with you

There's options I dont want them

They're not worth my time

Cause if it's not you, oh no thank you I like us just fine

You're a rock in the sand

You're a smile in a cry

You're my joy through the pain

You're the truth through the lies

No matter what I do I know that I can count on you Oh oh oh I, oh oh oh I

You are my rock

Baby you're the truth

You are my rock

I love to rock with you

You are my rock

You're everything I need
You are my rock
So baby roc with me
I wanna kiss ya, feel ya, please ya just right
I wanna touch ya, love ya, baby all night
Reward ya, for all the things you do
You are my rock
I love to roc with you
I love to roc with you Oh oh oh I, oh oh oh I
I wanna kiss ya, feel ya, please ya just right
I wanna touch ya, love ya, baby all night
Reward ya, for all the things you do
You are my rock
I love to rock with you
I wanna rock with you
