BHAD BHABIE

coming out hard like 88'
make a bitch levitate
baby face savage bitch
I don't play Patty Cake
charms in the carrot cake
carts in the patek face

cop a new coupe

that;s the cali way
drop a little check
everybody lit
drop a little check
everybody rich
drop a little check
everybody slide
drop a little check
everybody die

coming out hard like 88'
make a bitch levitate
baby face savage bitch
I don't play Patty Cake
charms in the carrot cake
carts in the patek face

cop a new coupe
no top
that;s the cali way
drop a little check
everybody lit
drop a little check
everybody rich
drop a little check
everybody slide
drop a little check
everybody die

drop a little check, get active

blasting' drop top coming' down
Sunset, sashing
