

# Bif Naked, Daddy's Getting Married

## VERSE

my mamma followed her lover to India  
the mongoose and the roti walla on your front porch  
tear me from a growling tigers mouth  
from then on I'm in love  
don't ask me how i am today  
don't wanna talk about it  
don't ask what the matter is  
todays the big day

## CHORUS

Daddy's getting married  
Mama wipe yer tears away  
my daddy'd getting married  
i dont know what to say  
my daddy's getting married  
today's the big day  
my daddy's getting married  
mama wipe yer tears away

## VERSE

Nice mommy and daddy tell me to drink my milk  
don't draw moustaches on my sisters barbies  
sit on the potty till you go little girl  
I learned to smoke cigarettes in Kentucky, y'all  
don't ask me how i am today  
don't wanna talk about it  
don't ask what the matter is  
todays the big day

## CHORUS

Daddy's getting married  
Mama wipe yer tears away  
my daddy'd getting married  
i dont know what to say  
my daddy's getting married  
today's the big day  
my daddy's getting married  
mama wipe yer tears away

## VERSE

Never really felt weird or anything  
things like this happen even to me  
wedding cake rotting in the grave yard  
drowning dreams like puppies in the sea  
todays the big day

## CHORUS

Daddy's getting married  
Mama wipe yer tears away  
my daddy'd getting married  
today's the big day  
my daddy's getting married  
mama wipe yer tears away
