

# Bif Naked, Everyday

Something I've been wanting to say, to you.  
Are you sitting down?  
Pretty soon there'll be a day,  
when I won't be around.

I'm not trying to scare you,  
or play on your sympathy.  
Just want to remind you,  
that life is a symphony.

So everyday,  
live it like it's your last one,  
Every kiss,  
Kiss it like it's your first love,  
If i had one wish, then I would wish,  
that you would live today like everyday.  
Everyday is your last one.

People always rushing around,  
wasting time on money.  
Don't be just a face in the crowd,  
Getting high and running from something.

I'm not trying to tell you what to do,  
But in the end it's up to you.

Everyday,  
live it like it's your last one,  
Every kiss,  
Kiss it like it's your first love,  
If i had one wish, then I would wish,  
that you would live today like everyday.  
Everyday is your last one.

Dip your feet into the ocean,  
let the sun beat on your skin.  
Soak in every emotion that you never thought you'd live.  
And never take for granted,  
every breath you're breathing in,  
Go everywhere you've never been.

Everyday, live it like it's your last one,  
Every kiss, Kiss it like it's your first love.

Everyday,  
live it like it's your last one,  
Every kiss,  
Kiss it like it's your first love,  
If i had one wish, then I would wish,  
that you would live today like everyday.  
Everyday is your last one.  
Everyday.
