

Biffy Clyro, The Kids From Kibble And The Fist O

Aaaaargh! Aaaaargh! Aaaaargh! Ooooooooh!
Aaaaargh! Aaaaargh! Aaaaargh!
Aaaaargh! Aaaaargh! Aaaaargh! Ooooooooh!

Say! Nothin's better
(You say nothin's better)
Say! Nothin's better than the rest

Say! Hope you're better than the rest
Cos you talk a good game
(Awoooooooo)
Your sensations are suffering
(Awoooooooo)
I'll make your sensations suffer
Through these long sadistic highs
And you see the way I collide with you
I Hope you see straight
Tonight I'm in a rage
Tonight I'm in a rage

Say! Nothin's better than the rest
Cos you talk a good game
(Awoooooooo)
My sensations are suffering
(Awoooooooo)
My sensations are suffering
Through these long sadistic lies
I Hope you see straight
Tonight I'm in a rage
Tonight I'm in a rage

Once again
You've missed the point

These strange explosions hit me like a fist of light

These strange explosions hit me like a fist of light
(Do you believe that I care?)
