Aaaaargh! Aaaaargh! Ooooooooh!

Aaaaargh! Aaaaargh! Aaaaargh!

Aaaaargh! Aaaaargh! Ooooooooh!

Say! Nothin's better (You say nothin's better) Say! Nothin's better than the rest

Say! Hope you're better than the rest Cos you talk a good game (Awoooooo)
Your sensations are suffering (Awoooooo)
I'll make your sensations suffer Through these long sadistic highs And you see the way I collide with you I Hope you see straight Tonight I'm in a rage Tonight I'm in a rage

Say! Nothin's better than the rest Cos you talk a good game (Awooooooo) My sensations are suffering (Awoooooo) My sensations are suffering Through these long sadistic lies I Hope you see straight Tonight I'm in a rage Tonight I'm in a rage

Once again You've missed the point

These strange explosions hit me like a fist of light

These strange explosions hit me like a fist of light (Do you believe that I care?)
