

# Big Bad Voodoo Daddy, What's Next?

I've been up, I've been down,  
I've been kicked to the ground  
And that's nothing new for me  
Like the dead of the night when everything's all right  
It's where I wanna be  
You see the life I live is the life  
I choose I follow no one's laws  
I follow no one's rules  
But when it's heads  
I win and tales you loose  
It's not the game in which I choose

Strollin' in at dawn, wakin' up at noon is gonna catch up to me soon  
But you can sleep when you're dead is what I said  
'Cause I'm jumpin' off the moon  
Hold on, bear down, jump in and grin 'cause  
I'm comin' back your way Get down,  
Hold tight with all of your might 'cause  
I'm comin' back to stay

What's next I think I'll hit the streets  
What's next I think I'll have a drink  
What's next I think I'll bet my luck  
Luck's coming back my way
