Big Bang, Tell Me Goodbye

Letting you go, here's somebody
Letting you go, here's somebody
Yo I got this, Yeah
Still thinking about this thing alot
You got me shaken up
Please tell me there's a way
And it got my head just spinnin' round round round round
Please tell me there's a way
Don't wanna take a fall
It's best to break it up
It's gonna be better for you, move on
Please tell me there's a way
Uh huh we break it break it
Or thought we make it make it
And now we cover it up
Girl I swear kimi no koto wo ichibyou demo
Kanashimasenai yakusoku
Mamoru tame ni wa mo oboreshita
Erabu michi wa nai kara
Baby aishita bun dake kizutsuketeshimau
And I've got nothing, nothing to say
Tell me goodbye, Tell me goodbye
Dakishimeta te wo
Tell me goodbye, Tell me goodbye
Hanasou
Boku wo wasureru koto ni jiyuu ni naru nara Baby
Tell me goodbye, Tell me goodbye
Girl you know kimi ga egao wo naku shitaku hodo
Boku wa jibun mo semeru yo
Nego semeru kotoba mo hikari sae mo
Nanimokamo miushinau
Baby kono kuchibiru ga hanareta shunkan
I'll never find better, better than you
Tell me goodbye, Tell me goodbye
Dakishimeta te wo
Tell me goodbye, Tell me goodbye
Hanasou
Soba ni iru koto dake ga yasashisa janai to Baby
Tell me goodbye, Tell me goodbye
Yo and it's so, so
Sad it just ain't happening
Wish it could be better
Sorry to scrapping
But I just can't let ya
Shouldn't be less than happy
I said look at me
I couldn't live with myself seeing you lacking
The things you deserve
Baby you was a part?
Must believe that it hurts
That lead this world
I feel the aching through my body
It just takes a bigger part of me
To be let you go
I wish that one soul
Kimi no koe setsunaku fade away ...
Kaze ni kakikesareteyuku stay ...
Kore ijou wa I can't take it
Sono namida don't cry for me
Kimi no tame never look back again
Tell me goodbye, Tell me goodbye
Dakishimeta te wo
Tell me goodbye, Tell me goodbye
Hanasou

Soba ni iru koto dake ga yasashisa janai to Baby
Tell me goodbye, Tell me goodbye
Tell me goodbye
