

# Big Daddy Weave, What I Was Made For

I used to think that I was never good enough to cut it  
I bought the lines that they were selling time after time  
But when You opened up my mind and I refused to shut it  
You brought me to a place where I could leave it all behind

Good-bye to my old life  
I dont listen to those lies anymore  
Youve given me new life  
Loving You is what I was made for

It took a while for me to see but when I finally saw it  
I knew I had to leave my sorted past in the past  
I couldnt get there on my own it was Your grace that taught it  
My sin is covered by Your blood and Im not looking back

You saw right through me  
Your kindness drew me  
Your mercy knew me  
You love came to me
