

# Big Head Todd And The Monsters, All (2)

If you want me to turn around  
This engine will run till dawn  
And this evening will show me your eyes  
Or will you distance yourself from the crime

Maybe you don't go slowly  
Maybe you leave the window open  
Maybe you give it all

Is it easier to survive  
If you love like a careless fire  
You say you wanted to keep it alive  
As the smoke passes into the sky

Maybe we don't go slowly  
Maybe we'll leave the window open  
Maybe we'll take it all

Maybe we don't go slowly  
Maybe we'll leave the window open  
Maybe we'll take it all
