

# Bill Callahan, Bonnie 'Prince' Billy, Cassie Berman

i wrote a letter to a wild flower  
on a classic nitrogen afternoon  
some powwer that hardly looked like power  
said i am only perfect in an empty room

4 dogs in the distance  
Each stands for a kindness  
Bluebirds lodged on an evergreen alter

I am gonna sshine out in the wild silence  
I am gonna sshine out in the wild silence  
I am gonna sshine out in the wild silence
