

Bill Withers, Do It Good

(Do it good)

(Do it good)

(Do it good)

If you want to kiss a funky beagle,
Hitch a ride upon an eagle
Read a catalog from Spiegel
Go on and do it, do it, do it,
Go on and do it, do it, do it,
Hey do it, do it to it,
But do it good.

Ah, fish was made for hook-in',
And grits was made for cookin'
And eyes were made for lookin',
Go on and do it, do it, do it,
Go on and do it, do it, do it,
But do it good.
