

Billie Eilish, Bad Comapny

[Verse 1]

I've got a man that doesn't love me
He's got a girl that doesn't love him
She's got a brother down in Cali
He's got a tattoo for his cousin

[Pre-Chorus]

Another picture perfect family
Shoulda known they'd keep bad company
Another house on fire by Venice beach
She's got a man she doesn't love who doesn't love me

[Chorus]

I don't need to know
Who you "can't let go"
Cry 'bout "so and so"
(She's got a man, got a man, doesn't love me)
