

Billie Eilish, bitches broken hearts

You can pretend you don't miss me
You can pretend you don't care
All you wanna do is kiss me
Oh, what a shame I'm not there
You can pretend you don't miss me
You can pretend you don't care
All you wanna do is kiss me
Oh, what a shame I'm not there

What is it you want?
You can lie but I know that you're not fine
Everytime you talk
You talk 'bout me but you swear I'm not on your mind

You can pretend you don't miss me
You can pretend you don't care
All you wanna do is kiss me
Oh what a shame I'm not there

Everybody knows
You and I are suicide and stolen art
Pretty mama sews
Stitches into all your bitches broken hearts

You can pretend you don't miss me
You can pretend you don't care
All you wanna do is kiss me
Oh what a shame I'm not there

Somebody new
Is gonna comfort you
Like you want me to
Somebody new
Is gonna comfort me
Like you never do

Every now and then it hits me
That I'm the one that got away
But I guess being lonely fits me
And you were made for begging "stay"
