

Billie Eilish, bury a friend

What do you want from me?
Why don't you run from me?
What are you wondering?
What do you know?
Why aren't you scared of me?
Why do you care for me?
When we all fall asleep?
Where do we go?

come here
say it
spit it out
what is it exactly?
your pain is the amount
cleaning you out
am I satisfactory?
today I am thinking about the things that are deadly
the way I am drinking you down
like I wanna drown
like I wanna end me

step on the glass
staple your tongue
bury a friend
try to wake up
cannibal class
killing the sun
bury a friend

I wanna end me
I wanna end me
I wanna I wanna
I wanna end me
I wanna I wanna
I wanna I wanna

What do you want from me?
Why don't you run from me?
What are you wondering?
What do you know?
Why aren't you scared of me?
Why do you care for me?
When we all fall asleep?
Where do we go?

listen,
keep you in the dark
what had you expected?
me to make you my art and make you a star
and get you connected?
I will meet you in the park
I will be calm and collected
but we knew right from the start
that you'd fall apart cause I;m too expensive
you talk about something that shouldn't be said out loud
honestly, I thought that I would be dead by now
calling security
keepin my head hold down
bury the hatchet or bury a friend right now

the debt I owe gotta sell my soul cause I can't say no no
I can't say no
and my limbs are frozen
my eyes won't close

and I can't say no
I can't say no
careful

step on the glass
staple your tongue
bury a friend
try to wake up
cannibal class
killing the sun
bury a friend

I wanna end me
I wanna end me
I wanna I wanna
I wanna end me
I wanna I wanna
I wanna I wanna

What do you want from me?
Why don't you run from me?
What are you wondering?
What do you know?
Why aren't you scared of me?
Why do you care for me?
When we all fall asleep?
Where do we go?
