

Billie Eilish, COPYCAT

Don't be cautious, don't be kind
You committed, I'm your crime
Push my button anytime
You got your finger on the trigger, but your trigger finger's mine
Silver dollar - golden flame
Dirty water - poison rain
Perfect murder... take your aim
I don't belong to anyone, but everybody knows my name

By the way, you've been uninvited
'cause all you say are all the same things I did

Copycat tryna cop my manner
Watch your back when you can't watch mine
Copycat tryna cop my glamour
Why so sad, bunny?
You can't have mine

Call me callused, call me cold
You're italic, I'm in bold
Call me cocky, watch your tone
You better love me 'cause you're just a clone

By the way, you've been uninvited
'cause all you say are all the same things I did

Copycat tryna cop my manner
Watch your back when you can't watch mine
Copycat tryna cop my glamour
Why so sad bunny? You can't have mine
Mine

I would hate to see you go
Hate to be the one who told you so
You just crossed the line
You've run out of time
I'm so sorry, now you know
Sorry I'm the one that told you so
Sorry, sorry, I'm sorry, sorry
Psych!

By the way, you've been uninvited
'cause all you say are all the same things I did

Copycat tryna cop my manner
Watch your back when you can't watch mine
Copycat tryna cop my glamour
Why so sad bunny? You can't have mine
