

# Billie Eilish, NDA

[Verse 1]

Did you think I'd show up in a limousine? (No)  
Had to save my money for security  
Got a stalker walkin' up and down the street  
Says he's Satan and he'd like to meet  
I bought a secret house when I was seventeen (Ha)  
Haven't had a party since I got the keys  
Had a pretty boy over, but he couldn't stay  
On his way out, made him sign an NDA, mm  
Yeah, I made him sign an NDA  
Once was good enough  
'Cause I don't want him havin' shit to say, oh-oh

[Chorus]

You couldn't save me, but you can't let me go, oh, no  
I can crave you, but you don't need to know, oh-oh

[Verse 2]

Mm, mm-mm, mm  
30 Under 30 for another year (Another year)  
I can barely go outside, I think I hate it here (I think I hate it here)  
Maybe I should think about a new career  
Somewhere in Kaua'i where I can disappear  
I've been havin' fun gettin' older now  
Didn't change my number, made him shut his mouth (Shut his mouth, yeah)  
At least I gave him somethin' he can cry about  
I thought about my future, but I want it now, oh-oh  
Want it now, mm-mm-mm  
You can't give me up

[Chorus]

You couldn't save me, but you can't let me go, oh, no  
I can crave you, but you don't need to know, oh-oh

[Outro]

Did I take it too far?  
Now I know what you are  
You hit me so hard  
I saw stars  
Think I took it too far  
When I sold you my heart  
How'd it get so dark?  
I saw stars  
Stars
