

# Billie Eilish, See Through

Wait a minute, let me finish  
I know you don't care, but can you listen?  
I came committed, guess I overdid it  
Wore my heart out on a chain around my neck  
And now it's missing

So I think I better go  
I never really know how to please you  
You're looking at me like I'm see-through  
I guess I'm gonna go  
I just never know how you feel  
Do you even feel anything?

You said, "Don't treat me badly"  
But you said it so sadly, so I did the best I could  
Not thinking you would have left me gladly  
I know you're not sorry, why should you be?  
'Cause who am I to be in love when your love never is for me?

So I think I better go  
I never really know how to please you  
You're looking at me like I'm see-through
