

# Billie Eilish, Wish You Were Gay

Baby, I don't feel so good  
Six words you never understood  
I'll never let you go  
Five words you never say  
I laugh alone like nothing's wrong  
Four days have never felt so long  
If three's a crowd and two is us  
One slipped away

I just wanna make you feel okay  
But all you do is look the other way  
I can't tell you how much I wish I didn't want to stay  
I just kinda wish you were gay

Is there a reason we're not through  
Is there a twelve step just for you  
Our conversations are in blue  
Eleven haze  
Ten fingers pulling on my hair  
Nine times you never made it fair  
I ate alone at seven, six minutes away

How am I supposed to make you feel okay  
When all you do is walk the other way  
I can't tell you how much I wish I didn't want to stay  
I just kinda wish you were gay

To spare my pride  
To give you lack of interest and explanation  
I'm not your type  
Maybe I'm not your preferred gender orientation  
I'm so selfish  
But you make me feel helpless  
And I can't stand another day  
I can't stand another day

I just wanna make you feel okay  
But all you do is look the other way  
I can't tell you how much I wish I didn't want to stay  
I just kinda wish you were gay  
I just kinda wish you were gay
