

# Billie Eilish, you should see me in a crown (Takashi Murakami)

bite my tongue ,bide my time  
wearing a warning sign  
wait till the world is mine  
visions I vandalize  
cold in my kingdom size  
fell for these ocean eyes

you should see me in a crown  
I;m gonna run this nothing town  
watch me make them bow  
one by one by one  
one by one by  
you should see me in a crown  
our silence is my favourite sound  
watch me make them bow  
one by one by one  
one by one by

count my cards watch them fall  
blood on a marble wall  
I like the way they all scream  
tell me which one is worse  
living or dying first?  
sleeping inside a hearse  
I don't dream

you say  
come over baby  
I think you're pretty  
I'm ok  
I'm not your baby  
you think I'm pretty

you should see me in a crown  
I;m gonna run this nothing town  
watch me make them bow  
one by one by one  
one by one by  
you should see me in a crown  
our silence is my favourite sound  
watch me make them bow  
one by one by one
