

Billie Holiday, I'M ALL FOR YOU

Bresler / Wynn

Let our friends say what they want to say

If I'm wrong I'll be the one to pay

No matter if it's true

You'll find that I'm all for you

Let the cards predict we'll drift apart

And the stars forfeit of broken heart

No matter if they do

You'll find that I'm all for you

I only know come what may

You'll always find me by your side

I may be a fool

Time alone will decide

Let them all say that it's just a game

And I'm sure to lose

But just the same no matter if I do

You'll find that I'm all for you
