

# Billy Burnette, Can't Get Over You

Written by billy burnette and david malloy.

I've heard it said before  
If you don't care no more  
Got to pick up tracks  
Don't look back  
Walk on out that door

I tell my friends it's easy  
She's never on my mind  
My life is so much better  
From the day I said goodbye

(chorus)  
When I tell myself I'm free  
You know I'm only fooling me  
'cause no matter what I do  
I can't get over you  
I can't get over you

I tried to hide my pain  
With a taste of the fast lane  
But no abuse will shake you loose  
'cause I still feel the same

I thought I could forget you  
But that was just a lie  
I'm just not the same without you  
Don't even want to try

(chorus)  
When I tell myself I'm free  
You know I'm only fooling me  
'cause no matter what I do  
I can't get over you  
I can't get over you

I don't know how it started  
I don't know where I stand  
I just want to be back  
In your arms again
