

Billy Burnette, I Miss You Darling

Written by billy burnette.

I miss you darling
In a heartbreakin way
If I could I'd be calling
You home to stay

I could hardly stand it
When you walked on the plane
I didn't think I could take it

Almost went insane

As I read your letters
I felt so much closer to you
I'll feel a whole lot better
When I'm side by side with you

And when you come back home
It's gonna be for a long time
It's gonna be for a long time
Cause I'm not letting you leave no more
