

Billy Fury, Live I've Never Been Gone

Don't give your love to sum one
While I'm away
I want you to think about me
Each night and day

And when I come on home
After being gone so long
I want it to be
Like I've never been gone

I'll feel your tender kisses
Before I go to sleep
I'll feel your arms around me
Just promise me
You'll keep all your love
And your kisses
Until I come home
And then it will be
Like I've never been gone

I don't ask much of you
Do what u want to do
But don't make me be a fool for loving you

I'll feel your tender kisses
Before I go to sleep
I'll feel your arms around me
Just promise me
You'll keep all your love
And your kisses
Until I come home
And then it will be
Like I've never been gone
Cant you hear me
Live I've never been gone
