

# Billy Idol, Love Labours On

Back thru time, I know  
You're calling me  
For a saviour--I know  
It's my destiny  
So I'm gonna rise  
Face the morning sun

Feel it calling me,  
Wanting me  
Believes in me

Love labours on  
Love labours on

Back thru time, I know  
I'm a wanted man  
Oh momma, I know  
Gave me grace, not to lose  
So I'm gonna get up--cleansed  
Face the morning rain

I feel it touching me,  
Healing me  
Believes in me

Love labours on  
Love labours on

Feel it wanting me,  
Knowing me,  
Believe, yeah

Love labours on  
Love labours on

Ooh  
Ooh  
Are you wanting,  
I know cuz you're calling me, yeah  
Are you needing,  
Yeah cuz you need from me

Wanting me,  
Reaching me,  
Wanting me,  
Knowing me,  
Believes in me.
