

# Billy Idol, Running From The Ghost

I'm running from the ghost  
The ghost inside of me  
Heavy on my mind

Still fight him in my sleep  
I see him all the time  
The Jekyll to my Hyde  
Down each and every road  
No matter where I go  
I'll be running from the ghost

I'll be running from the ghost  
I'll be running from the ghost

Wake me up  
Set me free  
Can't take back all the things I've seen  
Darkest days  
No beliefs  
Feel the hope fall away from me and  
Don't you pray for me  
It's too late for me  
What can save me  
it's night and day for me  
Can't go back there  
to cold hard memories  
Just one way for me  
I'll be running from the ghost

The ghost inside of me  
Heavy on my mind  
Still fight him in my sleep  
I see him all the time  
The Jekyll to my Hyde  
Down each and every road  
No matter where I go  
I'll be running from the ghost

Keep running from the ghost  
I'll be running from the ghost  
Keep running from the ghost

Wake me up  
Set me free  
Can't take back all the things I've seen  
Darkest days  
No beliefs  
Feel the hope fall away from me

Don't you pray for me  
It's too late for me  
What can save me  
it's night and day for me  
Can't go back there  
to cold hard memories  
Just one way for me  
I'll keep running from the ghost

I'll keep running from the ghost
