

# Billy Joel, Easy Money

You don't have to talk all night  
I'm a man who can't say no  
You don't have to twist my arm  
Just point me where you want me to go  
Take me to the action  
Take me to the track  
Take me to a party if they're bettin' in the back  
I've been working all my life  
Can't afford to wait  
Let me call my wife so I can tell her I'll be late

I want easy money  
Easy money  
Easy money  
I could get lucky  
Oh, things could go right

I want the easy  
Easy money  
Easy money  
Maybe this one time  
Maybe tonight

You don't have to try too hard  
I don't need a song and dance  
I don't need an invitation  
If you've got a game of chance  
Take me to the tables  
Take me to the fights  
Run me like the numbers  
Roll me like the dice

When you're counting on a killing  
Always count me in  
Talk to me into losin' just as long as I can win

I want the easy  
Easy money  
Easy money  
I want the good times  
Oh, I never had  
I want the easy  
Easy money  
I want the good life  
I want it bad

Easy money  
You say I fool myself  
But better me than someone else  
I got a hot slot machine of a system  
Ready to go  
Easy money  
I got a one track mind  
And a good reputation laying on the line  
I'll either come back a bum or a king  
Baby, I don't know

You don't have to start a fight  
I'm a man who can't say no  
If you've got a little risky business  
Just point me where you want to go  
Take me to the power  
Take me to the heat  
Take me to the cleaners

If it's open to the street  
Something's got to pay off  
Something's got to break  
Someone's got a fortune that they're begging  
Me to take

I want the easy  
Easy money  
Easy money  
I could get lucky  
Things could go right  
I want the easy  
Easy money  
Easy money  
Maybe just this time  
Oh maybe tonight  
Easy money  
Oh I don't want no hard cash  
I just want the easy money  
I could get lucky
