

# Billy Joel, Leave A Tender Moment Alone

Even though I'm in love  
Sometimes I get so afraid  
I'll say something so wrong  
Just to have something to say

I know the moment isn't right  
To tell the girl a comical line  
To keep the conversation light  
I guess I'm just frightened out of my mind  
But if that's how I feel  
Then it's the best feeling I've ever known  
It's undeniably real  
Leave a tender moment alone

Yes I know I'm in love  
But just when I ought to relax  
I put my foot in my mouth  
Cause I'm just avoiding the facts

If the girl gets too close  
If I need some room to escape  
When the moment arose  
I'd tell her it's all a mistake

But that's not how I feel  
No that's not the woman I've known  
She's undeniably real  
So leave a tender moment alone

But it's not only me  
Breaking down when the tension gets high  
Just when I'm in a serious mood  
She is suddenly quite and shy

Leave a tender moment alone  
Leave it alone

I know the moment isn't right  
To hold my emotions inside  
To change the attitude tonight  
I've run out of places to hide  
And if that's how I feel  
Then it's the best feeling I've ever known  
It's undeniably real  
Leave a tender moment alone  
You got to leave a tender moment alone  
Leave a tender moment alone  
Leave it alone  
You got to leave a tender moment alone  
Leave a tender moment alone
