

Billy Joel, My Journey's End

(Originally recorded 1965)

Well I climb the highest mountain, and I swim the deepest sea
If I knew you were riding at my journey's end and waiting for me
And I'll be there, I know that you'll love me
I know whatever that you'll say, and I know any way
If I knew you were waiting there at my journey's end

Somehow it makes fine ways 'til the end of the earth
But it really doesn't matter what I say, I'll come back someday

Now I know someone who's telling and I said now that it makes
If I knew you were there at my journey's end
To be mine for the rest of my day but now it really doesn't matter
Now I really if I may say 'cause I go anywhere
If I knew you were waiting there at my journey's end
Whoa oh oh, at my journey's end...Oh oh oh oh, at...my...jour-ney's...end...
