

Billy Joel, Summer

Streetlife serenader
Never sang on stages
Needs no orchestration
Melody comes easy
Midnight masquerader
Shoppin' center heroes
Child of Eisenhower
New world celebrator
Streetlife serenaders
Have such understanding
How the words are spoken
How to make the motions
Streetlife serenaders
Have no obligations
Hold no grand illusions
Need no stimulation
Midnight masqueraders
Workin' hard for wages
Nedd no vast arrangement
To do their harmonizing
