

# Billy Joel, Tomorrow Is Today

I've been livin' for the moment  
But I just can't have my way  
And I'm afraid to go to sleep  
'Cause tomorrow is today

People tell me life is sweeter  
But I don't hear what they say  
Nothing comes to change my life  
So tomorrow is today

I don't care to know the hour  
'Cause it's passing anyway  
I don't have to see tomorrow  
'Cause I saw it yesterday

So I listen for an answer  
But the feeling seems to stay  
And what's the use of always dreaming  
If tomorrow is today, oh

Still I'm waiting for the morning  
But it feels so far away  
And you don't need the love  
I'm giving  
So tomorrow is today

Oh my, I'm goin' to the river  
Gonna take a ride and the Lord will deliver me  
Make my bed, I'm gonna lie in it  
If you don't come, I'm sure gonna die in it  
Too late. too much givin'

I've seen a lot of life and I'm damn sick of livin' it  
I keep hopin' that you will pass my way  
And someday if your dreams are leavin' you  
I'll still believe in you

Though I'm living and I'm singing  
And although my hands still play  
Soon enough it will all be over 'cause  
Tomorrow is today
