

# Billy Talent, Covered In Cowardice

Twisted tongues will place you in their category  
Face to face you'll hear them tell a different story  
Loose lips may sink ships, but honesty's forever  
Eyes of envy try to cut and try to sever  
Cowards that hide behind their words  
Don't care whose feelings will get hurt  
Beware the voice without a face  
That's hidden underneath the...  
Cover of Cowardice!  
Can't you see them?  
Covered in Cowardice!  
Can't you hear them?

Cover of Cowardice!  
Can't you see them?  
Covered in Cowardice!  
Can't you hear them?  
Cowards that hide behind their words  
Don't care whose feelings will get hurt  
Their eyes are blinded by their rage  
Beware the voice without a face  
When your insecure, they'll find the fuel to start a fire  
They're bitter pricks with only hatred to inspire  
Level heads prevail... revenge won't make it better  
Trust your instinct like you trust what's in the mirror  
Cowards that hide behind their words  
Don't care whose feelings will get hurt  
Beware the voice without a face
