

# Birdy, 1901

Counting all different ideas driftin' away  
Past and present they don't matter, not if you just sort it out  
Watch her moving in elliptical pattern  
Think it's not what you say, what you say is way too complicated  
For a minute thought I couldn't tell how to fall out

It's twenty seconds 'til the last call  
Going hey, hey, hey, hey, hey  
By now, you know it's easy  
Like we did it all summer long

And I'll be anything you ask and more  
Going hey, hey, hey, hey, hey  
It's not a miracle we needed  
No, I wouldn't let you think so

Fold it, fold it, fold it, fold it /2x

Girlfriend, oh, your girlfriend's drifting away  
Past and present, 1855, 1901  
Watch them build up a material tower  
Think it's not gonna stay, anyway, think it's overrated  
For a minute thought I couldn't tell how to fall out

It's twenty seconds to the last call  
Going hey, hey, hey, hey, hey  
Lie down, you know it's easy  
Like we did it two summer long

And I'll be anything you ask and more  
Going hey, hey, hey, hey, hey  
It's not a miracle we needed  
No, I wouldn't let you think so

Fold it, fold it, fold it, fold it /6x
