

# Birdy, Blue Skies

Blue skies smiling at me  
Nothing but blue skies, all I see  
Blue birds singing a song  
Nothing but blue skies from now on

I never saw the sun shining so bright  
Never saw things going so right  
Noticing the days hurrying by  
When you're in love, oh my how they fly  
But blue days, all of them gone  
Nothing but blue skies from now on

Blue skies smiling at me  
Nothing but blue skies, all I see  
Bluebirds singing a song  
Nothing but blue skies from now on

Blue days, all of them gone  
Nothing but blue skies from now on
