

# Birdy, Ghost in the Wind

Can someone tell me who I am?  
I haven't recognized myself in a while  
And since you left, I stay up every night  
Thinking if you were here, you put me right

I know I was stupid to let what we had go to waste  
Why does everything I love always get taken away?

Ghost in the wind, calling you to take me home  
Ghost in the wind, crying, Where do I belong?  
Can anyone hear me now?  
Can anyone hear me now?

Do you remember when we were young?  
When I was terrified, you were by my side  
Now you're gone, I have nowhere to run  
No place that I belong, left burned in my search for love

I know I was stupid to let what we had go to waste  
Why does everything I love always get taken away?

Ghost in the wind, calling you to take me home  
Ghost in the wind, crying, Where do I belong?  
Can anyone hear me now?  
Can anyone hear me now?

I've been thinking about all the mess that I made  
I've been thinking of you and the things that I said  
Never meant to lose you  
Never meant to lose me

Ghost in the wind, calling you to take me home  
Ghost in the wind, crying, Where do I belong?  
Can anyone hear me now?  
Can anyone hear me now?  
Never meant to lose me

Ghost in the wind, calling you to take me home  
Ghost in the wind, crying, Where do I belong?
