

Birdy, I Only Want To Be With You

I don't know what it is that makes me love you so
I only know I never want to let you go
'Cause you started something, oh can't you see
That ever since we met, you've had a hold on me?
It happens to be true
I only want to be with you

It doesn't matter where you go or what you do
I want to spend each moment of the day with you
Well look what has happened with just one kiss
I never knew that I could be in love like this
It's crazy but it's true
I only want to be with you

You stopped and smiled at me
Asked if I'd care to dance
I fell into your open arms
I fell into your open arms
I didn't stand a chance

I fell into your open arms
I fell into your open arms
I fell into your open arms
I fell into your open arms
I didn't stand a chance

I fell into your open arms
I fell into your open arms
I fell into your open arms
I didn't stand a chance

I fell into your open arms
I didn't stand
I fell into your open arms
I fell into your open arms

I just want to be beside you everywhere
As long as we're together honey, I don't care
'Cause you started something, oh can't you see
That ever since we met, you've had a hold on me?
No matter what you do
I only want to be with you
