

# Birdy, Shelter

I find shelter in this way  
Under cover, hide away  
Can you hear when I say  
I have never felt this way

Maybe I had said something that was wrong  
Can I make it better with the lights turned on  
Maybe I had said something that was wrong  
Can I make it better with the lights turned on

Could I be, was I there  
It felt so crystal in the air  
I still want to drown whenever you leave  
Please teach me gently how to breathe

And I'll cross oceans like never before  
So you can feel the way I feel it too  
And I'll send images back at you  
So you can see the way I feel it too

Maybe I had said something that was wrong  
Can I make it better with the lights turned on  
Maybe I had said something that was wrong  
Can I make it better with the lights turned on

Maybe I had said something that was wrong  
Can I make it better with the lights turned on  
Maybe I had said something that was wrong  
Can I make it better with the lights turned on

Maybe I had said something that was wrong  
Can I make it better with the lights turned on
