

Birdy, Surrender

Strangers wildrness inside
The heart trips from hot to cold
You think he can make up its mind
But suddenly it's always no
suddenly it's always no

and if i could reach the Northen loghts
maybe then i'd understand it all
sometimes i try so hard to find
when all i want to do is fall
ino the night
into your arms
surrender

delay is on the district line
lookin' at pictures on my phone
and i said i didn't miss you but i lied
i told mysefl, i'd let go
told mysefl, i'd let go

and if i could reach the Northen loghts
maybe then i'd understand it all
sometimes i try so hard to find
when all i want to do is fall
ino the night
into your arms
surrender

and if i could reach the Northen loghts
maybe then i'd understand it all
sometimes i try so hard to find
when all i want to do is fall
ino the night
into your arms
surrender
