

# Biz Markie, Kung Fu

Once about a time there was a kid  
who didn't have a bicycle or a car that skid  
Only thing he had was Pat and Turner  
He didn't know the future but the lesson to learn-ah  
way to get started in the music biz  
Just listen to the story as I tell it like it is  
I was a youngster from East Junior High School  
who thought somebody with Adidas sweat-shirt was cool  
It symbolized somethin, but I don't know  
I wanted to be down really really bad so  
I asked one of my best friends Derek Mangareu  
&quot;C'mon man can I be down can I be down witcha crew?&quot;  
He had one by the name of Masters of Control  
I wanted to be down, so I could play the role  
He said, &quot;No you're not good enough we have ours Mark&quot;  
I went home and sat in the room with no lights in the dark  
And this is gonna be a rough rendezvous  
and that's why I sing this song to you
