

# Bizzy Bone, 4 Da Ladies

Women who keep a pedicure, a manicure, Plus orchids,  
Keepin their [? ], Take care of their son's, and their daughters,  
Wanted ta understand, From a woman who has a man,  
Hangin' on, [? ] another, Go home, &quot;baby girl scram&quot;,  
And the love game eyes go blind, When you shine,  
Please, don't try to be something you ain't, &quot;Quit lying&quot;,  
Still you're beautiful, The opportunity is around,  
If you take it, then you take it, If not &quot;don't make a sound&quot;,  
And never set a brother up, Just so you're man can fight him,  
Especially, if he don't want you, And he fellin that hottie,  
It's stupid, when you fight for a woman, Who gonna leave you,  
It's been written, many women, Have torn down many kingdoms,  
Seen [? ] go, seen'em run a game [? ]  
Fun and games and treason, Slug her thangs, when thay drinkin,  
Where the women at?, &quot;Stand up with out no (tails)&quot;  
I like a woman, When you're mans in jail,  
&quot;You playin the field baby&quot;.
