

# Bjork, Black Lake

Our love war my womb  
But our bond has broken  
My shield is gone  
My protection taken  
I am one wound  
My pulsating body  
Suffering being

My hear is enormous lake  
Black with potion  
I am blind  
Drowning in this ocean

My soul torn apart  
My spirit is broken  
Into the fabric of all  
He is woven  
Your fear my limitless emotions  
I'm bored of your apocalyptic obsessions  
Did I love you too much  
Devotion bent me broken  
So I rebelled  
Destroyed the icon

I did it for love, honored my feelings  
You betrayed your own heart  
Corrupted that organ

Family was always our sacred mutual mission  
Which you abandoned

You have nothing to give  
Your hear is hollow  
I'm drowned in sorrows  
No hope in sight of ever recover  
Eternal pain and horrors

I am a glowing shiny rocket  
Returning home  
As I enter the atmosphere  
I burn off layer by layer  
Jettison
