

Bjork, Foot Soldier

Foot soldier
March ahead
Enter the unknown
Oooohhh
Oh you will take the first step

Foot soldier
Blindfolded
You're babystepping
Carefully treading
Blindfolded
Tread carefully

Conquer the darkness

Into the darkness
Foot soldier
And then we'll follow
But you go first
March ahead
But you go first
Foot soldier
March ahead

Foot soldier
March ahead
Foot soldier
March ahead
Foot soldier

Who will take the first step
