

# Bjork, Generous Palmstroke

Alsema all for the say  
Endenogatai  
Endenogatai - dah

I am strong in his hands  
I am beyond me  
On my own i'm human  
And i do faults

I do confess  
I feel you trickling  
Down my shoulders  
From above

Hmm hmm hmm hmm

I turn myself in  
I give myself up  
Volunteer  
You own me i'm yours

Hmm hmm hmm hmm

You have to trust it  
I'm eternally yours  
All that i gave them  
I gave to you

Hmm hmm hmm hmm

So needy of comfort  
But too raw to be embraced  
Undo this privacy  
And put me in my place

Hmm hmm hmm hmm

A generous palmstroke  
The hugest of hugs  
Undo this privacy  
Embrace

Embrace me  
Embrace me  
Embrace me  
Eeeeeemmm

Hmm hmm hmm hmm

I am strong in his hands  
I am above  
Way beyond me  
I ... con...

She's strong in his hands  
She is beyond her  
On her own she is human  
And she does faults
