

Bjork, Human Behaviour

If you ever get close to a human
and human behaviour
be ready to get confused

there's definitely no logic
to human behaviour
but yet so irresistible

there is no map
to human behaviour

they're terribly moody
then all of a sudden turn happy
but, oh, to get involved in the exchange
of human emotions is ever so satisfying

there's no map and
a compass
wouldn't help at all

human behaviour
