## Bjork, Isobel (Deodato Mix)

In a forest pitch-dark Glowed the tiniest spark It burst into a flame Like me, like me

My name Isobel Married to myself My love Isobel Living by herself

In a heart full of dust Lives a creature called lust It surprises and scares Like me,like me

Crawling in silence A simple excuse Nana na nana...

In a tower of steel Nature forges a deal To raise wonderful hell Like me, like me
