

# Bjork, There's More To Life Than This

come on girl  
let's sneak out of this party  
it's getting boring  
there's more to life than this  
it's still early morning  
we could go down to the harbour  
and jump between the boats  
and see the sun come up

we could nick a boat  
and sneak off to this island  
i could bring my little ghettoblaster  
there's more to life than this  
but we'd have to rush back  
to the towns best baker  
to get the first bread of the morning  
there's more to life than this
