

BLACK BOX, Everybody Everybody

You won't belong to me, I let you down
I walk around'n' see your night skyline
I feel the light but you don't want to stay
So lonely now, just let me off downtown

Sad and free

When I said it was over you aimed at my heart
Won't be long for I'm leavin' all my love
But I'll feel it forever, no sound's in my life
You can call that no livin', on my own so free

Everybody, everybody
Everybody, everybody
Everybody, everybody...

You took me easy and then let me go
I never was, you see, that cheatin' kind
You feel all right, you never looker for me
So, it's time, I've gotta get on by
