

Black Eyed Peas, Dum Diddly

You know the music make you jump and prance
The BE Peas we keep you rocking on the dance
You know my music make 'em jump and prance
Dum diddley dum dum diddley dum dum diddley dum dum diddley diddley
[2x]

Bring on the rhythm; bring on the drums
The rim shot sound like someone gunned
(Pop! Pop!) There go your ear drums
So raise the volume to the maximum
Base booming bout to make your body feel numb
Pulsations probably penetrate your skeleton
This little diddley definitely demonstrates some
Dum diddley dum - so dance to the drum

[Chorus]

Don't hurt yourself, take it easy
There's no better time than right now
So let yourself go, o-eh-o
Watch yourself now, her comes the sound

[2x]

You know the music make 'em jump and prance
The BE Peas we keep you rocking on the dance
You know my music make 'em jump and prance
Dum diddley dum dum diddley dum dum diddley dum dum diddley diddley
[2x]

Freeze

Music please

Apparently yeah we the true MC's
BE Boys no decoys you know the sting
BE Peas till infinity
And we officially also fresh in the scene
So tell me if you see a crew that officially
Hit the whole globe simultaneously
Hit after hit, check out my melody

[Chorus]

Sim sim sim, blum blum blum
The Black Eyed Peas begun with action
Repeating rhy-rhythm in satisfaction
No need for asking, that's what's happening
The blip blip blip, the blah blah blau
You didn't know me then and you'll never know me now
I'm the Apl.De.Ap, the Filipino Ap
If you need to know my style, yeah let me show you how, come on

[Chorus]
