of the night

Toda la noche rompemo  
Al. otro dia volvemo  
Tu sabes como lo hacemos, baby  
This is the rhythm of the night

Baby, tonight's like fuego  
The night  
We 'bout to spend the dinero  
We party to the extremo, baby  
This is the rhythm of the night

Toda la noche rompemo  
Al. otro dia volvemo  
Tu sabes como lo hacemos, baby  
This is the rhythm of the night

Baby, tonight's like fuego  
The night  
We 'bout to spend the dinero  
We party to the extremo,  
Extremo, extremo , extremo, extremo!
